### PRESIDENT'S MESSAGE

I would like to **thank** Briana, Ellen and Otto for bringing their digital images taken in Aurora on April 30.. Thanks also to Bertha for providing the projector. It was an interesting program.

I want to mention some important information. At our September meeting The Aurora Photo club will host the third quarterly CCCC competition. We will not have our usual monthly competition that month. I urge all of you to attend. You can see what other photographers are doing,, and may participate in the judging ( no critiques)WE also will need help to setup and organize the images.

**In November we will have to move our meeting night to the fourth Monday which will be Nov 26 th.**

Since this is later and the next scheduled meeting would be Dec. 21<sup>st</sup> I will ask at the next meeting if we want to **not meet** in Dec.

.Reminder. Only a few more days (Tues. at 7am) to go the Denver Botanical Gardens for those flowers pictures.

CCCC has each club to poll their members to see if they **want to keep** "altered" and "unaltered prints" in separate categories.

Currently they are judged separately with awards given for the separate categories.

### IMAGES NEEDED

*I can scan slides, but I would like the members who enter prints to send me a scan of their images if possible). Limit to 40-55KB.. Scan, title and send to me at [Broncoloulane@aol.com](mailto:Broncoloulane@aol.com)*

### COUNCIL QUARTERLY COMPETITION WINNERS

Next Competiton will be on  
Sept 17.2007
