dr5 CHROME LAB GRAND OPENING IN DENVER

On August 5th, **dr5 Chrome Lab**, will open their unique photo lab at **601 Galapago, Denver**. Owner David Wood, features his invention, the **dr5 B&W reversal process**, (producing transparencies from over 30 B&W film types), but the multi-faceted business will be home not only to the dr5 process, but also to **custom B/W negative processing and proofing**. They will also have the **dr5 Gallery**, a new project for David & Kathi Wood which will offer FREE gallery space for photographers to showcase their work. Other opportunities for the space will include scheduled seminars and workshops. Visit **www.dr5.com**..(from *DPS Newsletter*)

FIELD TRIPS At the January meeting we discussed several ideas for field trips and “how to” sessions so start marking you calendars.

Table top Session

This will be at Jim Stewart's . We will try to get it set up during October.

Golden Train Museum To Be announced

BUTTERFLY PAVILLION The Council is working on this as an all club function. If there is several people that are interested, they will have more than one “group” going at different times. Nancy Myers is working on getting us in possibly at a special time. More on this later
